

„Validating competences gained at the workplace in case of low qualified people”

Project Bulletin Kick-off-meeting

The Kick-off-meeting of ValidAid+ project was held on 19-20/11/2013 in Athens, Greece. During the first day all partners have presented the results from country research and then Ecocenter held a brainstorming conducted to the „Team knowledge transfer”. At the afternoon consortium discussed project management communication administrative issues lead by Hellenic Management Association and Quality management lead by European Center for Quality.

This project has been funded with support from the European Commission. This publication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

The first subject of the second day was dissemination. Ecocenter presented the plan to the project's logo and the project's website. The other very important presentation was held by Hellenic Management Association about financial issues. During the afternoon partnership contracts were discussed and prepared and partners discussed and agreed upon the tasks, responsibilities and timeframes for the actions in the period until the next meeting in June Bilbao.
